- Yield to the bowler to your right if you're both up at the same time.
- Stand off the approach and out of the line of sight of the other bowler until they have released the ball.
- Do not intrude on the adjacent lanes in any way. That includes throwing your ball onto the wrong lane, standing or playing on another lane's approach, or doing anything that infringes on the adjacent bowlers' lane.

- E. HHSAA qualifiers from the same school will be placed on the same pair of lanes during the HHSAA tournament.
- F. Any student-athlete or coach disqualified before, during or after a state tournament game/match/event for unsportsmanlike conduct, flagrant verbal misconduct, or flagrant physical misconduct shall be disqualified from his/her next scheduled state tournament game/match/event for that sport. The student-athlete or coach has the right to appeal any such disqualification to an appeals committee for the particular sport. Should a student-athlete or coach be disqualified from the final state tournament game/match/event for that sport, said disqualification shall NOT carry over to the following school year's state tournament for that sport. Instead, the student-athletes or coaches league shall determine any appropriate penalty or sanction. (Rev. 06/2013)

### **V. TOURNAMENT REPRESENTATION**

- A. Representation for the tournament is limited to 100 boys and 100 girls. No league's entry should fall to less than six according to the formula for selecting each league's number of entries.
- B. Representation by a league is determined by dividing the league's number of teams by the total number of teams represented in the various leagues. All fractions of more than one-half shall be counted if possible to the next whole number with highest percentages and number of entries being used to keep the total number or entries per division to 100.
- C. The slot for a qualified participant who cannot participate in the match belongs only to the league in which that athlete participates. Substitutions will come from the list of league alternates, following that league's rule for qualifiers to state tournaments. If the league cannot fill the vacancy with an alternate, the vacancy will remain unfilled.

## VI. TOURNAMENT FORMAT

- A. The HHSAA bowling championship will consist of eight (8) games to determine the individual and team champions. During the 2-day tournament:

For a larger center (42+ lanes), there shall be only one (1) session with all the boys and girls bowling simultaneously per session.

Day 1: Boys and Girls (team and individuals) will bowl **five (5)** games simultaneously, with no break.

Day 2: Boys and Girls (team and individuals) will bowl **three (3)** games simultaneously, with no break. Awards ceremony to follow last session.

All bowling houses with a minimum of 22 lanes and up will follow the 1<sup>st</sup> day at 5 games and 2<sup>nd</sup> day at 3 games  
Tournament Schedule:

Day 1, gender 1 (girls) TEAM and individuals will bowl 5 games

Day 1, gender 2 (boys) TEAM and individuals will bowl 5 games

Day 2, gender 1 (girls) TEAM and individuals will bowl their last 3 games as a set of 3 games (no lane change) followed by gender 2 (Boys) TEAM individuals

Teams will be assigned lanes based on standings after Day 1. (Rev 6/2022)

If the format is bowling 3 games on the 2<sup>nd</sup> day (boys and girls), the HHSAA start time will be at 8:30 a.m., when possible. (Rev 6/2022)

The HHSAA executive director and bowling committee reserves the right to modify the tournament format based on time constraints.

- B. Individual bowlers will be assigned their squad, time, lanes and position by the Sport Coordinator. Schools that are eligible for the team competition will have their starting five bowlers on the same pair of lanes.

The individual champions shall be determined by the total pinfall of the eight games bowled. (Rev 6/2019)

- C. The team championship shall be determined by the total pinfall of the five designated bowlers whose eight (Rev 6/2019) game totals represent a particular school. Schools with more than five individual entries must designate the starting bowlers immediately prior to the start of the first session of their division so that the remaining bowler(s) may be assigned to another pair of lanes.
- D. Teams eligible for the team competition will be allowed to substitute during any game according to USBC rules and regulation; that is, two substitutions. Bowlers who are substitutes, as well as the bowler substituted for, are ineligible for individual awards, except where the substitute is already qualified for single competition and the substitution does not take place in the middle of the game. In this case the starting team bowler and the substitute shall trade places.
- E. Appeals to fouls must follow USBC rule 5.
- F. Ties for individual, 1<sup>st</sup> and 2<sup>nd</sup> places shall be broken, determined by a one frame (10<sup>th</sup>) roll-off until the tie is broken.

- H. The HHSAA Bowling Championships will be held at a bowling center that has a minimum of 22 lanes. (rev 6/2015)
- I. The HHSAA Executive Director shall select the bowling alley with the assistance of the Sport Coordinator and Tournament Committee.
- J. No more than two coaches per team in the area immediately behind the bowlers' bench.
- K. HHSAA will provide a flag at each pair of lanes (Rev. 6/2022)

VII. SIZE OF TEAMS

Schools may bring an unlimited number of individuals as long as their league qualifies them and that league's entries do not exceed the total number allocated by the formula for determining representation. Individual bowlers that are only being used as team substitutes need not be qualified by the formula for determining individual representation.

VIII. SEEDING/PAIRING

Placement of bowlers shall be done by the Sport Coordinator prior to the start of the tournament. Where teams are involved every attempt will be made for placing teams on the lanes for the final sessions according to their pinfall.

IX. UNIFORMS

All participants are required to wear school designated uniforms, preferably, with school identifying insignia and/or colors.

Required team uniforms consist of shirts in identical colors and patterns. Shirts must be long enough to ensure no midriff skin is exposed when bowling. Acceptable bottoms for boys and girls—slacks, jeans, capris, shorts, skirts, and/or skorts. All skirts, skorts, or shorts must be no shorter than the fingertips when the arms are at their sides while standing. Unacceptable for boys and girls—board shorts and athletic style bottoms (i.e. basketball shorts, sweatpants, leggings etc.). Bowlers in improper uniform will not be allowed to bowl. The HHSAA protest committee will enforce this rule. (rev 6/2019)

From 1974 to 1982, no medals were awarded for individual champions. The names listed during these years represent the bowlers with the highest pin fall. Team champions were determined by pool play with the winner of each pool meeting for the championship.

\*2019 – current, the tournament moved from a 9-game total pin fall to an 8-game total pin fall.
