The top high school marksmen from across the state will compete in the 14<sup>th</sup> Annual Civilian Marksmanship Program/HHSAA Championships, Tuesday, Oct. 30, at the Kamehameha-Hawaii campus in Kea'au, Big Island. This year's field includes defending girls champion Kellie Iwasaki (Waiakea).

While there is some variation among the leagues on team size and selection process to the state championships, all utilize the sporter air rifle in 3-position competition. Precision air rifles are not allowed. League competition, with the exception of Maui, is primarily team-based with an individual championship ending the season.

The HHSAA championship is one of two in the United States that are sanctioned by the high school athletic governing body. Georgia is the only other state with a sanctioned championship.

Shooters fire 20 recorded shots in each position – prone, standing and kneeling. A perfect score is 600. Teams are made up of four firing members from the same school.

**Civilian Marksmanship Program:**

It is the mission of the Civilian Marksmanship Program to promote firearm safety and marksmanship training with special emphasis on youths. For more information on CMP, log on to [www.odcmp.com](http://www.odcmp.com)

## Tournament Procedure:

All competitors in each gender fire in three positions: prone, kneeling and standing. Shooters fire 20 shots in each position.

All competitors shoot at the same time, beginning with the prone position. The targets are 32.8 feet away.

Thirty minutes are allowed for prone shooting. When completed, the targets are retrieved and standing targets are mounted.

There is a five-minute changeover period between shooting positions to prepare for the next phase.

Forty minutes are allowed for standing shooting. When completed, those targets are retrieved and kneeling targets are mounted.

Thirty minutes are allowed for kneeling shooting.

## Rules & Scoring:

All competitors use Daisey Sporter air rifles; precision air rifles are not allowed.

Shooters fire 20 shots in each position. A bulls-eye scores 10 points and each ring out from the center scores fewer points.

The maximum points possible in individual competition are 600. The HHSAA Championship records are 553 points (Kenneth Tong, 1999) for boys and 557 points for girls (Vicci Yau, 2002).

Team scores are drawn from a team's four highest scorers. The team scoring records are 2,129 points for boys (Saint Louis, 1999) and points 2130.63 for girls (Sacred Hearts, 2009).
