LEAGUE REPRESENTATION	
OIA	26
ILH	22
BIIF	15
MIL	11
KIF	7
TOTAL GOLFERS	81

BY THE NUMBERS:

Representation for the girls' tournament is determined by the total number of qualifiers divided by total number of participants; or 50% of the total number of girls golfers statewide, whichever number is greater. Representation by a league is determined by dividing the league's total number of girls golfers by the total number of girl golfers represented in the various leagues. All fractions of more than one-half shall be counted to the next whole number. Highest percentage fractions shall determine the league's total allocation. (HHSAA Handbook, girls golf section V)

CHAMPIONSHIP FORMAT:

The United States Golf Association rules govern play with modification of local golf rules. The girls' golf individual championship consists of 36-hole medal play and low individual gross format over two days. For the team championship, four players participate and the three best scores each day shall be used.

KINGS' COURSE STATISTICS:

Tees Length: 7,074 yards
Course Rating: 73.4
USGA Slope Rating: 135

RADIO/TV COVERAGE: No radio or TV coverage has been announced.

The Hawaii High School Athletic Association, with title sponsor the David S. Ishii Foundation, presents the 9th Annual Girls Golf State Championship, May 8 and 9, 2007 at the Waikoloa Resort Kings' Course. Although the state golf championship dates back to 1966, this marks only the 9th year for the girls' team championship. Prior to 1999, both boys and girls competed in the same field for the state title and only in 1994 did the HHSAA begin recognizing the highest female finisher as the girls' individual champion.
