2. BOYS: A school may enter three or less participants to compete for the individual championship.
3. BOYS: To be eligible for team competition, a school must have a minimum of four players or a maximum of six members who must be designated for the team championship. Additional qualifiers may compete for the individual championship.

Team members and other players not involved in the play-off will not be

permitted to caddy or give advice. Penalty of two strokes will be assessed to player(s) involved in the infraction.

- D. When a golfer is tied for the individual championship and is also a member of a team which is tied for the team championship, the individual championship will be played first. The individual will then take part in the team play-off with the other team members.
