A. Individual and Team Players

1. The Official Entry Form must be submitted to the HHSAA Office no later than seven days prior to the tournament.
2. GIRLS: A school may enter two or less participants to compete for the individual championship.
3. GIRLS: To be eligible for team competition, a school must have a minimum of three players or a maximum of five who must be designated for the team championship. Additional qualifiers may compete for the individual championship.
4. GIRLS: Four players participating and taking the three best scores each day (36 holes). A substitute may be entered for the second round.
5. Change in entries shall not be permitted after the entry deadline, except in case of illness or injury to team member. All changes shall be approved before the scheduled tee time of the first round.
6. Each league shall determine the method of selecting their entries subject to the limitation of golfers allocated to the first round. Each league is guaranteed at least one team entry.
 - a. GIRLS: Representation for the Girls Tournament shall be (a) the same percentage as the boys (i.e., total number of boys tournament qualifiers/total number of boys participants); or (b) 50% of the total number of girls golfers statewide, whichever number is greater. Representation by a league shall be determined by dividing the league's total number of girls golfers by the total number of girl golfers represented in the various leagues. All fractions of more than one-half shall be counted to the next whole number. Highest percentage fractions shall determine the league's total allocation.
7. The slot for a qualified participant who cannot participate in the tournament belongs only to the league in which that athlete participates. Substitutes will come from the list of league alternates, following that league's rule for qualifiers to the state tournament. If a league cannot fill the vacancy with an alternate, then the vacancy will remain unfilled.
8. If a player competing for the individual championship only does not post a score for the first round of play, then the player does not participate in the second round of play.

B. Coaches' Responsibilities

1. Each team shall be represented by a coach or his/her designee at all times. A team without a coach, whether it is a team of one or two, shall NOT be entered in the tournament unless a coach is designated.

3. Players should report to their respective tees 15 minutes prior to their starting time.

All six golfers will participate in one "group." Team members may give advice only during play-off for team championship. Team members and other players not involved in the play-off will not be permitted to caddy or give advice. Penalty of two strokes will be assessed to player(s) involved in the infraction.

- D. When a golfer is tied for the individual championship and is also a member of a team which is tied for the team championship, the individual championship will be played first. The individual will then take part in the team play-off with the other team members.
- E. Whenever possible, postponement because of inclement weather should be completed on the succeeding day with time and course designated by the HHSAA Executive Director and Tournament Committee.

- D. The dress code **prohibits** denim (including colored: blue, black, white, etc.), surfer, swim, gym or short shorts (shorts length must be beyond fingertips when arms are hanging to the side), tank tops, halter-tops, and t-shirts.
- E. All hats must be worn properly (brim forward for caps, etc.)
- F. Collared shirts for all (with sleeves for boys) must be worn and tucked in with belts worn if pants or shorts have belt loops. Girls' shirts with straight hems designed to be worn out will be allowed. Mock turtlenecks shirts will be allowed.
- G. Boys may NOT wear earrings. Other than earrings on girls, no other visible body piercing is allowed (nose rings, etc.).

Note: The HHSAA recognizes that shirts can be properly tucked in and can become “untucked” during the normal course of play. In these instances, players will be asked to tuck their shirts back in. However, if there is a willful violation of this aspect of the dress code (such as deliberately “untucking” their shirt or disregarding the request to tuck it back in), a player is subject to disqualification at the discretion of the Tournament Director or Tournament Committee.
